ASPA South Florida Chapter & Florida Memorial University
Friday, April 23, 2010, Miami Gardens, FL

The 2010 4th Annual Best Practices Conference (sponsored by the South Florida Chapter of ASPA and Florida Memorial University) will provide a forum for practitioners, academics, and students to learn about *Public Service in Transition*. Proposals for panel presentations are solicited that address this conference theme with a focus on:

- Decision-Making and Allocation of Scarce Resources,
- Mitigating the Effects of the Economic Downturn,
- Collaboration in Service Delivery,
- Growth Strategies in an Environment of Consolidation,
- Human Capital Nurturing in an Era of Organizational Cutback,
- Innovation and Motivation Strategies,
- How Does Green Generate Green \$,
- Leadership Challenges.

The panel topics listed above is final. We would like to present "best practices" that will stimulate discussion and provide value to conference participants. Papers presented elsewhere that relate to the topics listed above are encouraged as well.
