

## ASPA Announcements

**December 4, 2009**

*Advancing excellence  
in public service . . .*

ASPA is pleased to announce its professional development webinars for 2010 and invites you to submit a proposal. We invite all practitioners, academics and those with public service expertise to share their knowledge and experience with others.

We are looking for speakers for the following topics: Four Day Work Weeks, Introduction to Performance Measurement and Accountability, Project Management, Leadership Development, and Emergency Management. We realize how important time management is in today's workplace and offer this professional development format to help public administrators maximize their time. If you are interested in serving as a presenter, click [here](#) for more information and to submit a proposal.
