

The New York Metropolitan ASPA Chapter ("NYM ASPA") is currently accepting rolling applications for its 2012 scholarship award for MPA students through January 20, 2012. Application consideration will begin on December 19th. NYM ASPA is offering three (3) students the opportunity to attend and participate in ASPA's 2012 Annual Conference held in Las Vegas, Nevada from March 2-6, 2012 through this scholarship award. As you know, the 2012 Conference theme is "Redefining Public Service through Civic Engagement." Students attending this conference will not only network with others around the country but increase their knowledge of the evolving landscape of Public Administration. Any ASPA member may nominate a student for this award. Students are not required to be ASPA members at the time of their application submission. We are reaching out to other sections of ASPA and requesting their assistance in circulating this scholarship application to students enrolled in an MPA program who will benefit from the ASPA'S 2012 Annual Conference.
